Technical connection and services

Make sure that you have ordered and paid for the technical connections **till September 20**

For standard shell scheme you can order, if necessary:

- a socket ([Form 2](#))
- Internet (Form 2b)

In case of exclusive stand design, you need to order an electricity connection, having previously specified the required volume with the developer. Electricity is ordered with [Form 2a](#) and internet with Form 2b.

Forms are available on the exhibition website **feedvet-expo.ru**, we are also ready to provide it upon a request by email: **info@feedvet-expo.ru**.

Plasma display panel registration

- According to the Crocus Expo IEC Requirements, exhibitors must obtain permission from Build Expo to import and use their own PLASMA PANELS (Audio Video, hereinafter AV) equipment at stands at exhibitions held at the Crocus Expo IEC.
- We recommend the Exhibitors to obtain the permit IN ADVANCE to avoid troubles during move-in.
- Send an email to the general developer, Build Expo, with a list of: 1) equipment; 2) exhibition name; 3) hall and booth number, 4) if the AV equipment is the property of the company, an official document (usually TORG-12, OS-6, or customs clearance document confirming the Exhibitor's ownership), technical passport with a mark about the buyer - legal entity; 5) if the AV equipment is the property of the director, the founder of the company or another individual, the following documents are required: technical passport with a mark about the buyer, a letter confirming the position / status of the individual in the company; a special permit for move-in and use at your stand is required in this case. Contact phone: +7 (495) 727-26-71.
- The Permit must be taken to the Exhibitor's booth. Make several copies of this permit as it may be requested from you: during move-in, when obtaining a pass to the assembly gate for unloading / loading, at the assembly gate, and during the exhibition at your booth.

Audio, video service

- You can order audio and video equipment for your booth ([Form 2](#)).
- The contact person of Build Expo for ordering audio and video equipment: +7 925-488-53-60, edid@crocus-off.ru, Mikhail.
